COLLECTION NEW LIFETIME

Product structure and technical data

The **NEW Lifetime collection** offers beautiful wood looks in short plank format.

A total of four colour variants in oak wood are available. The brushed surfaces support the extraordinary appearance and make the flooring surface look even more aut-

hentic. Each element comes through four-sided bevelled edges particularly well.

In addition, the surfaces are treated with natural oil ready for living and can be laid quickly and easily thanks to the patented drop-down-click connection.
