# COLLECTION RETRO LIGHT

## Product structure and technical data

The **Retro Light** collection is hand-planed oak planks that know how to set perfect accents in terms of exclusive flooring and interior design. The knotty grading and the different color variations give each plank its very individual and original character.

The collection includes five products with oiled surfaces, in smoked look as well as the innovative **SafeTop® raw**

**wood look.** This special finish for the highest demands preserves the character of the wood and at the same time ensures reliable protection of the planks.

The **patented drop-down click connection** ensures quick, easy and clean installation of the wood floor - both floating and with full-surface gluing.
