

MOJAWOOD COLLECTION

Product structure and technical data

The **Mojawood Collection** stands for high-quality oak planks with a brushed surface and a distinctive, natural character. In the Rustic and Super Rustic factory gradings, each plank appears lively and unique.

Mojawood is available in two formats: Standard in **14 × 190 × 1,900 mm with a 3 mm wear layer**, and **XL in 15 × 260 × 2,200 mm with a 4 mm wear layer**.

This collection is available with **natural oil**, **transparent oil with SafeTop® technology**, as well as **smoked natural oil finishes**. Our premium treatments preserve the natural wood appearance while ensuring reliable protection for everyday use.

The patented **Drop-Down click system** enables quick and clean installation – either floating or fully glued down.

Specification
